Directions

- Print all pages out on heavy, white cardstock
- Laminate if you plan on using printables long term
- Cut out all of the mice and the coordinating cheese shapes
- Depending on the age and knowledge of your child, here are a few ways to play:
 - **For Beginning Learners:** Give one mouse at a time and only 2 cheese shapes, with one shape being the same as the chosen mouse. Tell your child what shape the mouse is holding and ask which cheese is the same. If they don't know, select the correct shape and place it next to the mouse shape to show how they are the same. Name the shape. Repeat for every mouse.
 - **For Advanced Learners:** Give all the mice to your child, along with all the cheese shapes. Let them match each mouse to its correct cheese shape. Review their answers and then ask them to name all of the shapes.
